Product Catalogue 2014/2015

Welcome to Happy Pet's latest new pet thinking.

The Happy Pet catalogue is back with over 170 pages of **inspired ideas and innovations** for pet product retailers.

Designed for quick and easy reference, you'll find dedicated sections for **dog, cat, bird, small animal and fish** products along with useful sub-sections for **toys, treats, health, home, travel, bedding & clothing**. You will also find all our **new products** at the beginning of each sub-section.

Pet **health, happiness & wellbeing** is our passion, with every product **perfectly crafted** and constructed to support the **natural instincts** and lifestyles of each animal. Throughout the catalogue you'll find unique ideas for pets **at play**, pets **at home** and pets **on the move**.

It's safe to say that we understand the needs of **retailers** too, we reliably deliver **best selling** pet products at **great value** prices to customers worldwide, with **first class service** and customer support guaranteed.

Thank you

Pet Platter

A complete range of stainless steel bowls. Our choice of size, basic and non-slip bowls all offer the great reasons pet owners love them - they are easy to clean, hygienic, dishwasher safe and most importantly rust proof. For something different but with the same great benefits are our ribbed non-slip bowls which are available in green and cream to suit a modern lifestyle look.

Pet Platter

Double diners are essential feeding stations for many owners and ours come in two options - adjustable or fixed. Both offer the benefit of being able to provide food and water in one area without bowls moving around the floor. Ideal for pet carriers or cages when housetraining puppies, our hook-on and bolt-on bowls help to ensure that food and/or water is made available at all times without the bowl moving around the enclosed space.

Pet Platter

A range of stainless steel bowls. Our choice of size, basic and non-slip bowls all offer the great reasons pet owners love them - they are easy to clean, hygienic, dishwasher safe and most importantly rust proof. For something different but with the same great benefits are our ribbed non-slip bowls which are available in green and cream to suit a modern lifestyle look. Double diners are essential feeding stations for many owners and offer the benefit of being able to provide food and water in one area without bowls moving around the floor.

Hygiene

Our deep cleansing disinfectant kills bacteria and viruses and is safe to use with all dog, cat, bird & small animal housing. Made from safe and durable non-toxic plastic with an anti-scatter rim to reduce excess mess, our litter trays are easy to clean and sit on non-slip feet to reduce movement. Along with the standard size, a convenient corner shaped tray is available, as well as a hooded version which is designed to reduce odour as well as prevent excess mess. The Cat Litter Scoop has also been made from durable plastic and specially designed to make the task of clearing litter as easy and hygienic as possible.

Home

It is essential to provide birds with an area where they feel warm, safe and secure. Cozzzy Huts are snugly nests which are easily hung from any bird cage, whilst the Bamboo Bird Nest is ideal for encouraging courtship, breeding and nesting behaviour in small birds. For high quality nesting and bedding material, choose from Natural Nesting Hair or Nesting Time. Both are rich in minerals and protein and ideal for use when birds are mating.

Feeding

Essential feeding and drinking accessories for birds, our hook-on and bolt-on bowls help to ensure that food and/or water is made available at all times without the bowl moving around an enclosed space. Both the Bird Feeders and Seed and Water Feeder can be used for water and/or seed dispensing. All come complete with cage attachments. To provide hours of fun the covered Multicage Bird Bath, made from durable plastic, allows birds to splash around as much as they like without soaking their cage. Easy to assemble and install.

Treats

Tweeter's
Treats

Millet Ears are a popular treat to offer to small birds and parrots, not only do they love the taste but it also offers a foraging opportunity as they have to harvest their own seed from the grain heads. Our treat range also includes a 500g box of seed mix as well as a display box of ten seed rings in two flavours – both are great additions as treats and the seed rings can also be threaded onto perches. Tweeter's Treats Fruity Jelly Pots are a great way to treat parrots or cockatiels.

Bird Sand/ Grit

Bird sand and grit help aid digestion and are packed with essential minerals to help keep birds healthy and hygienic. Crushed Oyster Shell is a natural source of calcium and helps prevent calcium deficiency and other common nutritional problems in pet birds, it is also recommended as a dietary supplement to obtain hard eggshells. Crushed Charcoal also provides an excellent aid to digestion, it can be mixed with bird seed daily or scattered in small amounts on the bottom of the cage three times a week.

Artificial Plants & Substrate

Attractive artificial plants enhance the beauty of any aquarium; our giant plants come with heavy, anchoring bases, whilst our plant dome comes with lead weights for anchoring or alternatively may be left to free-float. AquaGrit is a clay based gravel, enriched with trace elements and is ideal in aquaria where good plant growth is required.
